4. Steps taken by the Institute/Department/ College/ to improve the quality of Education

With regard to following quality parameters of NAAC for the College: -

i. Curricular Aspects:

- The college celebrates the important days, conducts CSCA Function, other activities like quiz competition, declamation, painting contest etc. for the holistic development of the students.
- The college also organizes various sports activities under the aegis of annual athletic meet for the physical and mental development of the students.

Teaching – Learning & Evaluation:

- The College provides transparent admission process to the students on merit basis according to the Govt. norms in all streams.
- Predominately lecture method is followed in teaching however ICT based teaching – learning is also provided to the students in some subjects.
- The Seminars, tutorials and assignments are periodically conducted for upgradation and strengthening academic activities among the students.
- The CCA based evaluation system has been introduced in the UG and PG classes after the implementation of CBCS.

ii. Research, Consultancy & Extension:

- The teachers are engaged on research pursuits at their own levels with collaboration with universities.
- Many teachers have research publications in reputed Journals.
- Extension activities through NSS/NCC and Rovers and Rangers units.
