8. For the Degree:

- a. The candidate shall have to undergo the prescribed courses of study in a College affiliated to the H.P. University for a period not less than three academic years and not more than five academic years, should have passed the examination prescribed and fulfilled such conditions as have been prescribed therefore.
- b. For the degree (BA / B.Sc. / B.Com. / B.C.A. / B.B.A) the student will have to cumulate a minimum of 132 successful credit hours of coursework over a minimum of three and a maximum of five years from the date of admission.
- c. Provided that not more than three attempts will be allowed to pass a course.

9. Academic Year

An academic year comprising 180 working days. With six working days in a week, this would mean that each academic year will be having $180 / 6 = 30$ teaching / working weeks. Considering that each teaching day has 5 teaching / working hours, a teaching week would have $5 \times 6 = 30$ working / teaching hours and each academic year will have $30 \times 30 = 900$ teaching hours available for each student.

10. Credits

The term 'credit' refers to the weightage given to a course, usually in terms of the number of instructional hours per week assigned to it. This explains why usually 'credit' is taken to mean 'credit hours. For the purpose of credit determination, instruction is divided into three components: -

- (1) **Lectures (L)** - Classroom lectures of one hour's duration
- (2) **Tutorials (T)** - Special, elaborate instructions on specific topics (from Lectures) of one hour duration.
- (3) **Practical (P)** - Laboratory of field exercises in which the student has to do experiments or other practical work of two hours duration.

Each one of these components is considered as equal to one credit. One lecture (*L*) as well as one Tutorial (*T*) of one hour a week is considered as one credit, whereas one Practical (*P*) of two hours a week

is considered as one credit. The total weightage given to a course in terms of credits will be equal to $L + T + P$, where L is the number of one-hour Lectures per week, T is the number of one hour Tutorials per week, and P is the number of two hour Practical per week. This can be written in symbols as: -

$$C = L + T + P$$

Where, C is the credit weightage for a particular course. The total minimum credits required for an under graduate degree programme is one hundred and twenty (132).

11. Course

A course is a structured set of instructions that are imparted to a student on the basis of a syllabus or a framework.

Each course is designed variously under instructions given as Lectures, Tutorials, and Practical (laboratory and field exercises). Usually, these components are referred to as L, T and P components.

12. Course Evaluation (Evaluation of the Students)

All courses (Compulsory, Elective, Elective, and GI & H courses) involve an evaluation system of students that has the following two components:

- (i) **Continuous Comprehensive Evaluation (CCE)** accounting for 50% of the final grade that a student gets in a course; and.
 - (ii) **End-Semester Examination (ESE)** accounting for the remaining 50% of the final grade that the student gets in a course.
- (i) **Continuous Comprehensive Evaluation (CCE)** : This would have the following components:
- (a) **Classroom Attendance** - Each student will have to attend a minimum of 75% Lectures / Tutorials + Practicals. A student having less than 75% attendance will not be allowed to appear in the End- Semester Examination (ESE).
 - ❖ Provided that those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the authorized functionaries.
 - ❖ Provided that those having between 64% and 50% attendance will apply for exemption in a prescribed form accompanied by a Medical Certificate from a Government Hospital.
 - ❖ Provided that exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g., NCC, NSS, Youth Festivals, Sports etc.) to the extent of 25% (making the necessary attendance as 50% in these cases). However, the claim for this exemption should be supported by authenticated certificate from the concerned college authorities.
 - ❖ Provided further that those getting these exemptions will not be entitled for getting the CCE marks for or classroom attendance as given below.

Those having greater than 75% attendance will be awarded CCE marks as follows:-

$\geq 75\%$ but $< 80\%$	1 marks
$\geq 80\%$ but $< 85\%$	2 marks
$\geq 85\%$ but $< 90\%$	3 marks
$\geq 90\%$ but $< 95\%$	4 marks
$\geq 95\%$	5 marks
 - (b) **Mid-Term Test** - There will be one mid-term test covering the syllabus covered so far. The mid-term test will be of 15 marks.
 - ❖ Question paper for the mid-term test will be made by the teacher of the course and will be evaluated by him / her.
 - ❖ Evaluated test booklets will be provided to the students (shown in the class) and they can be given photocopies of the same for the cost of photocopying.
 - (c) **Seminar / Assignment / Term Paper** - The remaining 15 marks of the CCA will be awarded on the basis of seminar / assignment / term paper etc. that the course teacher might give to the students.
 - (ii) **Term End Examination (TEE)** : The remaining (50% in case of practical subject and 70% for Theory subjects) of the final grade of the student in a course will be on the basis of a Term end examination (TEE) that will be for three hours

duration and will be covering the whole syllabus of the course.

- ❖ A candidate who does not pass the examination (TEE) in any course(s) (or due to some reason is not able to appear in the TEE, other conditions being fulfilled, and so is considered as 'Fail'), shall be permitted to appear in such failed course(s)' TEE in the subsequent. TEE to be held in April / May as the case maybe.
- ❖ The registration for the TEE will be done at the time of the enrolment for the course at the beginning of the academic year. The fee for the TEE will also be collected at that time.
- ❖ If a student is not permitted to appear in the TEE due to shortage of attendance beyond the exemption limit (<50% attendance), the candidate will be permitted to move to the next semester. Such candidates shall redo the missed semester after completing the rest of the programme.

13. Right to Appeal

- ❖ The students will have the right to make an appeal against any component of evaluation. Such appeal has to be made to the Principal of the College on a prescribed form and should clearly state in writing the reason(s) for the complaint / appeal.
- ❖ The appeal will be placed before the **Grievance Redressal Committee (GRC)**, Chaired by the College Principal, comprising:
 - (i) For cases pertaining to the Major subject (elective or elective courses): the Head of the Department, Course Teacher, and a senior Teacher of the Department.
 - (ii) For cases pertaining to the Elective subjects: the Head of the concerned Department, Course Teacher, and a senior Teacher of the Department.
- ❖ The Committee will consider the case and may give a personal hearing to the appellant before deciding the case. The decision of the Committee will be final.
- ❖ The marks obtained in the Continuous Comprehensive Evaluation (CCE) and the End Semester Examination (ESE) will be combined and used for the deciding of the course grade that the student will be getting. Relative grading will be done by the Office of the Controller of Examination (COE) HPU for each course class in all the colleges.

14. Relative Grading

Relative Grading of the students on the basis of the selective / marks (preferably in percent form) received from all the colleges, is to be done by the Office of the Controller of Examinations, Himachal Pradesh University.

Assign the grades to the students in the class as follows:

Category I:	(= and > 95 % marks)	Grade Points 10.0	Letter Grade S+
Category II:	(90 to less than 95 % marks)	Grade Points 9.5	Letter Grade S
Category III:	(85 to less than 90 % marks)	Grade Points 9.0	Letter Grade O++
Category IV:	(80 to less than 85 % marks)	Grade Points 8.5	Letter Grade O+
Category V:	(75 to less than 80 % marks)	Grade Points 8.0	Letter Grade O
Category VI:	(70 to less than 75 % marks)	Grade Points 7.5	Letter Grade A++
Category VII:	(65 to less than 70 % marks)	Grade Points 7.0	Letter Grade A+
Category VIII:	(60 to less than 65 % marks)	Grade Points 6.5	Letter Grade A
Category IX:	(55 to less than 60 % marks)	Grade Points 6.0	Letter Grade B+
Category X:	(50 to less than 55 % marks)	Grade Points 5.5	Letter Grade B
Category XI:	(45 to less than 50 % marks)	Grade Points 5.0	Letter Grade C
Category XII:	(Less than 45 % Marks)	Grade Points 0.0	Letter Grade F (Fail)
Category XIII:	-----	Incomplete	Letter Grade I
Category XIV:	-----	Audit Pass	Letter Grade P
Category XV:	-----	Audit Fail	Letter Grade X

Notes:

1. Category XIII (Incomplete, with letter grade I) is given to students who are unable to complete the programme and are considered 'dropped'.
2. Categories XIV and XV (Audit Pass with letter grade P and Audit Fail with letter grade X) are given to the students who are auditing (attending the class, but not for grade) the course and are passing

of failing respectively. These grades will not be counted for determining the Grade Point Average (GPA) and Cumulated Grade Point Average (CGPA) of the student.

15. Determining GPA and CGPA

For each student the Grade Point Average (GPA) and the Cumulated Grade Point Average (CGPA) will be determined by the CoE Office of the HPU as follows:

$$GPA \text{ or } CGPA = (\sum C_i G_i) / (\sum C_i)$$

Where, C_i is the credit earned for course i (i varying from 1 to n) and G_i is the grade point obtained by the student in course i (i varying from 1 to n), n being the number of courses passed so far by a student and the candidate will be categorized as below:

CGPA	Letter Grade	Classification of the Final Result
9.51 and above	S+	First Class – Exemplary
9.01 to 9.50	S

5.51 to 6.00	B+	Second Class
5.01 to 5.50	B	
4.51 to 5.00	C	Third Class
4.50 and below	F	Fail
No Grade	I	Incomplete
No Grade	P	Audit Pass

However, for the purpose of declaring a candidate to have qualified for the Degree of Bachelor of Arts / Science/ Commerce etc. In the First Class / Second Class / Third Class or First Class with Distinction / Exemplary, the CGPA earned by the candidate in Part III alone will be considered and reported on the Certificate / Transcript.

16. Conferment of the Bachelor's Degree

The result would be declared by the CoE of the Himachal Pradesh University and the degree conferred. A candidate shall be eligible for the conferment of the Bachelor's degree only if he /she has earned the minimum required credits for the programme prescribed therefore (i.e., 132 credits in total. The University will confer the Degree when these conditions are met. The top three selective in each subject will be granted gold, silver, and bronze medals (to the First, Second, and Third ranks respectively) by the HPU.
